€6.6/month for a studio, under 28 years old (if more, add 10%).

This is a new French tax from 2018, mandatory and yearly for students subjected to tuition fees. It costs 91 € and we help you to buy it online thanks to our video tutorial and paper guide. You need to provide the certificate to your school before the beginning of your studies.

You will find the complete process on our platform and the list of required documents.
**SERVICES**

**ELECTRICITY**

You can open your electricity account on our platform in 5 min. Benefit from a 100% green energy and a discount of €15 on your first bill. The price has the basic ones.

**CAF**

We will take care of it in order you to benefit from a reduction in your monthly rent (usually €206/month) if you are eligible: you can not have earned more than €10 000 2 years ago.

**METRO CARD**

**Under 26 :**

We will apply for the student metro card called Imagine R (€38/month) in your name. Deadline: 1st Jan (you can apply after this date until May but you will have to pay from the 1st of Jan).

**Over 26 :**

We will explain how to obtain your Navigo card (€75/month) to you.

**HEALTH INSURANCE**

It takes up to 2 months to receive a temporary social security n° to be covered by the French government. You need to apply ASAP on an English website in 10 minutes thanks to our video tutorial. Then you can subscribe to a private insurance for 2 months minimum. Then you can transfer your private insurance into a mutual because you will be 70% covered by the State and the rest will be take in charge by the mutual.

Our partner Studcorp offers a private insurance for 49€/month and a mutual for 36€/month.

**VISA Validation**

It’s mandatory to validate your VISA online, within the 3 first months in France, on an English website and it takes 10 minutes. Otherwise you can’t benefit from CAF and social security and you can’t travel.

Moreover, you will be illegal.

Find on the platform the process to quickly validate your VISA and how to buy the 60€ tax stamp.

**Titre de séjour**

Two months before the expiration of your VISA you need to renew your VISA at the Prefecture. Your school has a partnership with them.
